## MAYOR'S REPORT BY MAYOR JOHN D. LINK

Congratulations to the 2014 graduates on a job well done and to all those that were behind the scenes to help in your success. I'd also like to wish you the best of luck in the coming years.

By now I hope everyone has noticed that the Dudley hill construction has started and we have been advised by the contractor that they are pushing to have the road completed by mid-November 2014. In order for this to happen the roadway will be closed to thru traffic most of the period so they can make the deadline. When we first got started on this project, it was projected to be completed within 1 ½ years. We chose the closure to finish the project on time. Please take your time; take an alternative route, the wait will be well worth the time. Our other street work within the city is in full swing. We should have a list of the streets that will be worked on in the 2014-1015.

Elaine Hoblik has been our Recreation Director for the last three years; however she has elected to go back to her love of teaching and will be leaving us by mid-July. We wish Elaine the best and would like to thank her for the years she has served us. As you see Elaine within the city please take a moment to thank her for all that she has done. Thanks again Elaine.

Just another reminder, the City of Edgewood does not have an insurance premium tax on auto, health, or property. If you notice any of these taxes on your insurance bill, you need to contact your agent and advise that we do not have these taxes. They should make this adjustment to your policy.

Our 11th Annual Mayor's Golf Outing is scheduled for August 8th at Twin Oaks Golf and Plantation Club. This golf outing includes 18 holes of golf, cart, lunch, draft beer, soft drinks, steak dinner, door prizes and contests. Please mark your calendars, come out, and enjoy as a foursome or as a single. Please contact Belinda at 331-5910 to sign up or for more information.

The Sun in the Fun Fall Festival will be held at Freedom Park on October 4th. This is a family event to be enjoyed by all ages with entertainment and inflatables. The 730 Club band is scheduled to play at the event.

I hope to see you at one or more of the upcoming events, we should all have fun. See you then.

## FUN IN THE SUN, FALL FESTIVAL:

Save the date - October 4, 2014!

## Fireman Mike Says... by Firefighter Mike Constantino

Summer is finally here and I've got some tips to keep it as safe as possible. Annually almost 8,600 Americans are injured by fireworks and almost 5,000 are injured by charcoal/wood-burning and propane grill fires. When **GRILLING**, keep barbecue grills far away from anything that can burn -- your home, cars, dry vegetation, etc. Stay with the grill when lit, and keep children and pets well away from the area. The safest way to enjoy **FIREWORKS** is to attend

an outdoor public display put on by professionals. Fireworks are designed to burn and explode, and are a leading cause of injuries in the United States. Every year, fireworks used by amateurs cause thousands of injuries serious enough to require emergency room treatment. Children between the ages of 10 and 14 are at greatest risk of injury from fireworks. In 2010, 73 percent of fireworks injuries occurred between June 18 and July 18. Summertime should be a time for fun and making happy memories. Knowing a few fire safety tips will help everyone have a safe summer. Stay safe and stay hydrated!
