## Mayor's Report by Mayor John D. Link

Congratulations to the Class of 2017 and to all those who had supported them throughout the years. We all wish you the best for the coming years.

For the last few years we have provided our residents a notification service known as Reach Alert at [www.reachalert.com](http://www.reachalert.com) that will notify you of emergencies, park events, crime alerts, road closures, and other city announcements, all free of charge which has been a real asset for those who have signed up for this notification. It works!

We now have a new application for our residents to submit issues related to our city. The app is called "Edgewood Engage" provided by SeeClickFix where issues can be submitted by a phone app, desktop computer, or by calling the city building and we will submit the issue. Once the issue is submitted, it goes directly to the staff member assigned to address the issue. This issue request can be followed on the app or computer to see the status of this issue. This creates a transparent viewing from start to finish for those issues as well as a great tracking system for us all. We have just started this program and we are still working out the kinks but go ahead and send your issues. Search the App Store for SeeClickFix Edgewood Engage.

Our Edgewood and Lyndale road project is in its final stages of construction and with some dry days, we should be completed in late July. This will be ahead of schedule but final grading and seeding will take some additional time. We appreciate everyone's patience during this construction, but I'm sure the results will speak for themselves.

The Dudley road construction from Winding Trails to Catherine Drive is still scheduled to go out for bid this fall with construction starting in 2018. Dudley will have curbs on the sidewalk side and new pavement will be installed as our phase 1 project.

You may have noticed a new red wooden structure at the entrance to the shelter across the street from the Edgewood Deli. It was installed by the R.C. Hinsdale wise team as the Little Free Library, "Take a Book, Read a Book" which is just another way to get more interest in reading and connecting with books. Thank you to the R.C. Hinsdale staff.

With the Tuesday evening concerts in full swing, the evening weather has been ideal so far and there has been a great crowd at each of these events. If you have never been to one of the Presidents Park concerts, pick an evening and bring the family to enjoy an evening under the stars. Thanks again to Hummel-Hatfield Insurance for supporting our events.

The Mayor's Annual Golf Outing is scheduled for Friday, August 4th at Twin Oaks Golf Course. It includes 18 holes of golf, golf cart, lunch, prime rib dinner, door prizes, and contests. For more information and sign-up, please contact Belinda Nitschke at (859) 331-5910. You will have a great time and I hope to see you there!

### Fireman Mike Says...

Summer is the time to enjoy vacations, camping, picnics and Independence Day; however, summertime also brings fires and burn injuries due to fireworks and outdoor cooking. On July 4th in a typical year, far more U.S. fires are reported than on any other day, and fireworks account for 2 out of 5 of those fires, more than any other cause of fires.

The safest way to enjoy fireworks is to attend public fireworks displays, leave the lighting to the professionals. The City of Edgewood provides this excitement on the holiday annually. Fireworks are designed to burn and explode. According to the U.S. Consumer Product Safety Commission, daily hundreds of people on average go to the emergency room the weeks before and after the July 4th holiday. Fireworks are dangerous! Children between the ages of 10 and 14 are at the greatest risk of injury from fireworks.

Enjoy outdoor celebrations and cookouts but remember to keep a 3 foot "safe zone" around grills and campfires. Only use your grill outside and keep it away from siding and deck rails. Open your gas grills before lighting and keep an eye on your grill without leaving them unattended.

Knowing a few fire safety tips will help everyone have a safe summer. Stay safe, stay hydrated and we can't wait to see you at the July 4th parade!
