

**CITY OF EDGEWOOD
MUNICIPAL AID ROAD FUND
PUBLIC HEARING MINUTES
MAY 19, 2008**

CALL TO ORDER – Mayor Link called the meeting to order at 6:30 P.M.

ROLL CALL - The roll was called to determine a quorum. Present were:
Nancy Atkinson, Dale Henson, Chris Link, Jeff Schreiber.

PUBLIC HEARING – Mayor Link announced that the City expects to receive approximately \$150,000 in the Municipal Road Aid Fund for 2008-2009. He advised that these funds will be put into the road fund brought about by taxes for gasoline and supplemented by the budget which has over a \$1,100,000 worth this year for additional street work to bring these streets up to standard.

Mayor Link opened the meeting to the audience and council for any discussion or questions concerning the Municipal Road Aid Fund or the attached streets listed for repair, replacement, or overlay.

Melissa Sorg inquired about her street, Shannon Drive, as to why only part of her street will be repaired. Mr. Rolfes gave an analysis of the procedures and the processes used to decide what streets or parts of street will be worked on with the total projected cost of \$1,271,047. He added that if the bids come in more favorable then more work could be added. He stressed the importance of getting the listed streets completed this year, that would bring the city to a fairly high grade on the streets overall. Mr. Rolfes also explained that usage and more likely the subsurface could be the reason why the top part of her street could be more worn. Council agreed to consider adding the unlisted portion of Shannon Drive as an option in case the bids come in under the estimates.

Mr. Rolfes reported that there was no correspondence (telephone calls, written or electronic) from the public.

Mayor Link closed the hearing at 6:41 P.M.

Mayor John D. Link

Mary Jane Lucas, Sr. Deputy Clerk

Date: _____

STREETS 2008-2009
