**APPROVAL OF MINUTES** – November 16, 2009 Meeting Minutes – Mr. Spears made a **motion** to adopt the November 16, 2009 meeting minutes as written; second by Mr. Messmer. Mr. Schreiber abstained. **Motion passed: 5 ayes – 1 abstention.**

**REPORT/PRESENTATIONS**

**Mayor's Report** – Mayor Link thanked the staff and volunteers for a job well done at the Tree Lighting event. He also thanked the judges for the Chili Cook-Off event. A magician was present this year at the event and he did a great job as well.

**Administrator's Report** – Mr. Rolfes stated that he had given copies of a petition from Kruer Court residents to council wanting to be annexed from Erlanger to Edgewood. City of Erlanger was contacted and they declined to release the properties. A Kruer Court resident has contacted the city again about this issue and, if the council concurs, Mr. Rolfes will contact the resident and advise him it is a dead issue. Mr. Schreiber said he would like to see a formal letter written to the City of Erlanger stating the city would accept the properties from the City of Erlanger provided they are willing; he further said it would then be up to Erlanger to answer any citizen questions regarding their position; also forward a copy of that letter to that resident.

**Staff Reports** – Council reviewed reports from the following staff members: City Administrator, City Clerk, Fire/EMS, General Services, Police, and Recreation. Mayor Link pointed out on the City Clerk's report that the National League of Cities Prescription Discount card program is being used quite often with 597 prescriptions filled through October and they have saved over \$7900.

**CITIZENS DESIRING RECOGNITION ON LEGISLATIVE MATTERS NOT ON THE AGENDA** – Frank Henn, 901 Dudley Road, owner of Henn Plumbing, stated that another vehicle parked in his lot and owned by his tenant, was hit as a result of a hit and run, for the second time this year, from vehicles traveling on Dudley hill and not paying attention. He asked if anything could be done. Discussion was held about this in the past and a quote was received to install a guard rail but it was too expensive and there was no adequate space to accommodate it according to current standards. That portion of Dudley is about to undergo major reconstruction and council suggested to add more curves or bank it more in the open land before Henn's property. The reconstruction will install a sidewalk, curb and gutter so that may help alleviate some problems. Mr. Rolfes will advise the engineer to look into a resolution.
