REPORT/PRESENTATIONS

Mayor's Report – Mayor Link reminded everyone of the Lou Noll Symposium on February 12th. Mayor Link attended the Mayors Group Meeting on January 15th. Horsebranch Road is about to get a new 36" main and work will begin soon and finished in June; this will delay the Dudley hill project from starting. NKAPC, N Ky Water, and Sanitation District are compiling a program that will keep track of street constructions amongst all jurisdictions. Mayor Link announced that Chief Kramer has been chosen to be the President of the N KY Police Chiefs Association; he'll be sworn in on January 22nd. There are new officers in the Mayors Group: Chairman Mayor Paul Meier, Vice-Chair Mayor Tom Rouse, and the Secretary/Treasurer is Mayor Denny Bowman. The City Day/Night in Frankfort will be held on February 9th to meet legislators; advise Jeanette if you'd like to go. Mayor Link thanked the Kenton School Board and Sara Jackson for putting on a Business Partner Celebration for Martin Luther King Day at Scott High School.

Administrator's Report – Mr. Rolfes followed up on the street maintenance program stating the city has been part of the program with NKAPC since its inception. They produced a map that shows the condition of our streets depending on how they were graded in a color coded manner. Mr. Rolfes was advised that we will not be allowed to work on Dudley while the Horsebranch work is taking place. There will be some rerouting of traffic; we may have to apply for an extension on the grant to be compliant. The project designs have been submitted to Frankfort for approval; hope to hear back in 2-3 weeks then we can go out for proposals for a contractor.

Mr. Rolfes stated that this is his last meeting as City Administrator before his retirement; he made comments to the Mayor, Councils past and present, staff and residents thanking them for the great years while working for the city. Mayor Link thanked Mr. Rolfes for his years of service and dedication and wished him good luck on his retirement.

Staff Reports – Council reviewed reports from the following staff members: City Administrator, City Clerk, Fire/EMS, General Services, Police, and Recreation. Mrs. Atkinson asked Mrs. Kemper if there were applications still available for the NLC Prescription Drug Discount Program. Mrs. Kemper advised that there aren't any applications; cards are available in the lobby or one can be printed off of NLC's website. Mr. Jaeger asked Mr. Goetz how we are with our salt supply so far this winter; Mr. Goetz said we're a little ahead by about 50-100 tons.

Mayor Link asked Fire Chief Chris Amon to introduce their new employee. Chief Amon introduced Mike Constantino as their new fulltime FF/EMT Lieutenant; he's retired from the Airport Fire Dept, toured in Afghanistan, lives in Edgewood and is heavily involved with all of the schools.
