**REPORT/PRESENTATIONS** –

**Mayor’s Report** – Mayor Link and other cities met with Judge Arlinghaus about the expenses the cities will incur from Erlanger dispatch, in the contractual agreement said that we owe Erlanger whatever the differences might be from everyone pulling out. Judge Arlinghaus stated that the county will be picking up the entire tab, until we are put in place with the counties dispatch system. We are still looking at switching dispatch August 1<sup>st</sup>, but that could change. Mayor Link also mentioned the streets under repair throughout the city; there is concern about half of the streets being poured and the other half not. This is because the side poured has to cure for 10 days plus before the other side can be poured, right now they are also running against the weather. Please bear with us, the streets will be smooth in due time.

**Administrator’s Report** – Mr. Beckham reported that the new right-a-way agreements have been approved by the state, Mr. Wichmann has completed drafting the recordable documents. Mr. Beckham has started contacting some of the property owners. The Kenton County Conservancy was meeting this night to discuss their new right-a-way agreement.

**CITIZENS DESIRING RECOGNITION ON LEGISLATIVE MATTERS NOT ON THE AGENDA** – Tom O’Connor (3052 Elmwood) lifelong resident of Edgewood is concerned about the SD1 rate increase; he proposed that the City of Edgewood adopt a Resolution similar to the one the City of Fort Mitchell adopted, stating that the city will not accept the rate increase. Mayor Link will look into this, however Mr. Beckham pointed out the rate increases are mandated by the EPA and SD1 doesn’t have a choice, if they don’t enact the increases they can be found in contempt of court.

**UNFINISHED BUSINESS** – Dudley hill construction – this was discussed under the Administrator’s Report.

**NEW BUSINESS** – none

**ORDINANCES, MUNICIPAL ORDERS, AND RESOLUTIONS** – Ordinance 2013-05-09 – fireworks use/sale – 2<sup>nd</sup> reading.
