MAYOR'S REPORT

BY MAYOR JOHN D. LINK

It's hard to believe it's that time of year to congratulate the 2012 graduates for a task that was well deserved. Good luck to you all and make sure you thank those who supported you over the years.

As you can see the newly formed Garden Club members have improved our Welcome to Edgewood signs and planted flowers in the planters at Dudley, Thomas More and Horsebranch. Many thanks for all your ideas and hard work getting and arranging the plants at those locations. If anyone is interested in helping the Garden Club, please contact Sandy Giesen at 344-9466. Thanks again for all your work.

The Edgewood Walking Club "Blazing Trails" have been meeting on Wednesdays at 10:a.m. at Washington Shelter at Presidents Park. If anyone is interested in joining the group contact Elaine at 331-5910 to find out the next scheduled date. The date will also be displayed on our message sign. This is a great way to exercise and meet new residents.

Our Public Works department and the street progress is in full swing, this shall continue until late summer depending upon the weather. This means we should have all the streets for this year completed by the fall.

Bob Begnoche our Public Works Director has the final drawings and building permit to erect a small shelter at Tupman Lane and Dudley across the street from the BP station. This will accommodate two picnic tables; just enough room for the entire family to enjoy an ice cream cone, snack, or cold drink after their sporting event or just walking the friendly mile. Work should begin within the next few weeks depending upon the weather and our street repair schedule.

Within the last few weeks our Fire/EMS department received delivery of our new ambulance to replace the 12 year old squad. You may see it traveling the streets from time to time as each EMS member gets familiarized with the new truck.

We have had a great turn out at the Tuesday night concerts at Presidents Park. I use the phrase "we had a standing room crowd" and we do but the majority of residents bring their blankets and chairs to enjoy the concerts in comfort. We are happy and pleased to see so many of you attend. I hope to see you and be sure to stop and say hello.

GARDEN CLUB NEWS

The Edgewood Garden Club has begun this year and already we have been very busy. The corner of Dudley and Turkeyfoot has been re-landscaped with perennials and annuals as well as having the City of Edgewood sign painted. We plan on having three seasons of color and will be adding bulbs for the spring. We have plantings and two beautiful, large pots at the entrance to Presidents' Park. These will coordinate with our long range plans of having more pots along Dudley Road. There are also pots at the "Welcome to Edgewood" signs at Dudley, Thomas More Parkway and Horsebranch. We are planning some fun events in the off season and invite anyone to join. We would love to have new members! Please call the city building. Hope that you enjoy our efforts!

Fireman Mike Says:

Summer is finally here and I've got some tips to keep it as safe as possible. Annually almost 8,600 Americans are injured by fireworks and almost 5,000 are injured by charcoal/wood-burning and propane grill fires. When GRILLING, keep barbecue grills far away from anything that can burn -- your home, cars, dry vegetation, etc. Stay with the grill when lighted, and keep children and pets well away from the area. The safest way to enjoy FIREWORKS is to attend an outdoor public display put on by professionals. Fireworks are designed to burn and explode, and are a leading cause of injuries in the United States. Every year, fireworks used by amateurs cause thousands of injuries serious enough to require emergency room treatment. Children between the ages of 10 and 14 are at greatest risk of injury from fireworks. In 2010, 73 percent of fireworks injuries occurred between June 18 and July 18. Summertime should be a time for fun and making happy memories. Knowing a few fire safety tips will help everyone have a safe summer.
