MAYOR'S REPORT
BY MAYOR JOHN D. LINK

The lion sure kept its grip on us during the month of February and with March coming in as a lamb we just hope the rest of the month brings us the warmth we need. I'd like to thank our residents for moving their automobiles off the streets during our snow emergencies so our public works department could plow and salt the streets during the ice and snow events. We had about 95 percent compliance which was very good; thank you for your help.

Our public works department has been very busy filling pot holes that have developed during the freeze and re-freeze period. They have already made one pass through the city and are starting to make another pass for new pot holes that have just developed. Again this year, as we have done in past years, we will be assessing what streets need major repairs and those sections that need to be replaced and or resurfaced. The street repair list should be out in May and construction will begin as soon as the weather permits.

For those residents who attended any of the free family fun events, ice skating, roller skating, Town and County, Lazer Kraze or Sports of All Sorts you know we had a tremendous turn out. Everyone enjoyed being inside rather than outside; a few residents may still remember our Freedom Park ice skating rink and are glad to be indoors. Thanks to the recreation committee and their vision.

March 22nd is our Annual Egg Hunt for 3-8 year olds at Presidents Park starting at 2:00 p.m. I mention this because at 2:02 p.m. the 6,000 eggs are in the children's baskets and they are heading home. The Easter Bunny will be there as long as the children are there, come early and enjoy the hunt.

With spring and the summer weather in sight this is a great time to get out and meet your new and old neighbors or take a walk around the neighborhood. Remember you are the eyes and ears of the community and if you see or hear something out of the ordinary please call 911 or the city building if it is not an emergency and we will send an officer to check out your request.

With so many events forthcoming please read on to see which ones you would like to attend. Hope to see you at one or more of the up and coming events, we'll have fun.

FIREMAN JOE SAYS:

Hang in there you all, spring is almost here and beautiful spring days in Edgewood will soon appear, well at least I hope so. I am looking forward to seeing all our seniors at the Senior Expo March 13th at the Senior Center. I really enjoy this as I get to see many of our good friends and hopefully can pass along some helpful hints and advice. Just remember with spring comes storms and tornadoes, I know you have heard this many times but I always want to pass along a reminder about watch and warnings. A severe thunderstorm watch or a severe tornado watch only means conditions are favorable for

tornadoes or severe thunderstorms to develop. They are more likely to occur during late afternoon or a hot spring day. If you are at home turn on your TV or radio to weather reports and account for pets and family members. Be alert for changing weather and conditions. A severe thunderstorm warning or a tornado warning means that a tornado or severe thunderstorm has been sighted in the area. Seek shelter immediately, if outdoors find a place of shelter not under a tree or in a car as a last resort lie flat on the ground with your hands over your head and neck. When home go to the basement or the strongest spot in your house away from doors or windows. Think about having an emergency supply kit stored somewhere you can access easily. In the kit you need a flashlight and extra batteries, first aid kit, bottled water and food or snacks, if you have small children bring along their favorite toy or a game to keep them occupied. For some more helpful hints give Fireman Joe a call at the firehouse (578-3099) any Monday or Wednesday or stop by, I'm always glad to see you.
