

INDOOR KART RACING IS AN INHERENTLY DANGEROUS ACTIVITY AND PHYSICALLY DEMANDING. IF YOU HAVE BACK PROBLEMS, A HEART CONDITION, OR ARE PREGNANT, YOU COULD BE AT GREAT RISK. PLEASE CONSULT YOUR PHYSICIAN BEFORE PARTICIPATING IN ANY RACING ACTIVITY.

Safety is the highest priority for everyone at Redline Racing, LLC, an Kentucky State limited liability company (“Redline Racing”). Indoor karting is real racing. It is not an amusement ride and accidents can happen. Accidents are much more likely to occur if you do not heed the instructions available to you, do not pay attention to flags, or drive aggressively or beyond your ability.

REDLINE RACING HAS A ZERO-TOLERANCE POLICY FOR THE CONSUMPTION OF ALCOHOL PRIOR TO RACING. Drivers suspected of being under the influence will be requested to submit to a breathalyzer test administered by our staff. A positive test for the presence of alcohol will result in your racing privileges being terminated for the balance of your visit.

Kart racing is a non contact sport. We do not tolerate any bumping and or blocking. If you are unable to pass the kart in front of you, do not bump them out of the way. Swearing or generally rude behavior toward the staff or other drivers will not be tolerated. If you spin your kart and are unable to rejoin the race, DO NOT GET OUT OF YOUR KART – a track marshal will assist you. Speed in the pit lanes is not to exceed a walking pace.

Failure to comply with any staff request will result in the suspension or termination of your racing or facility privileges for the balance of your visit; it is for your safety that staff instructions and decisions are final. Repeat offenses may result in a permanent ban from the Redline Racing premises.

FLAGS

Yellow – There is an incident ahead. Slow your kart to half race speed, and do not pass. Drive in single file until you are past the incident with no more yellow flags in front of you (you may find your kart being slowed automatically).

Red – STOP safely. It is unsafe to continue any farther around the track. Wait in your kart, and follow the track marshall’s instructions.

Blue w/ Orange Sash – Please move to the outer side of the track, and let the driver behind you pass.

Checkered – End of the race/session. Slow down to yellow conditions, and return to the pit lane.

Black – Return to the pit lane and stop your kart. You are either being penalized for poor driving or there may be something wrong with you kart.
