

# HELP PREVENT BLINDNESS

An estimated 47,000 people become blind each year...One person every 11 minutes. You can help prevent blindness by having your eyes checked, **Now!**

At last, an opportunity to have your eyes checked by professionals is being offered to you **free** of charge. Please take advantage of the **Golden** opportunity, and let the staff from **Halpin – Noll Eye Centers** screen your eyes for **Decreased vision** and **Glaucoma**.

Michael Halpin, M.D. Jean M. Noll, M.D. Saif Jaweed, M.D. Chris Thon, O.D.
