

# FINGERPRINTING REQUESTS

IDEMIA is pleased to introduce our **Universal Enrollment Platform (UEP)**, the newest solution in our fingerprint technology to the Commonwealth of Kentucky. Effective December 9, 2020, we activated UEP for public use by Kentucky Applicants.

**All appointments must be initiated on our UEP Public Website at:**

Uenroll.identogo.com [<https://uenroll.identoGO.com/>]

or by clicking “Digital Fingerprinting” on the website at <https://www.identogo.com/>.

This new solution requires applicants to use a **Service Code**, which summarizes your fingerprint reason, agency, ORI, category, and document type into a single value. If you do not have this **Service Code**, please contact the requesting agency.

IdentoGO Centers are available across the Commonwealth. They provide convenient, professional environments for live scan (electronic) fingerprinting services, which are delivered by trained Enrollment Agents.

IdentoGO is the preeminent live scan fingerprinting provider for the Commonwealth of Kentucky and is a certified FBI Channeling Agent.

*For assistance in scheduling an appointment, please contact our call center at (844) 543-9714.*
